ADDITIONAL ARTISTS/WORKS

A.D. Cook is an airbrush artist who lives and works in Las Vegas and specializes in painting female nude subject matter. Cook's art builds on a long-standing, airbrush tradition of legendary pin-up artists such as Vargas and Olivia DeBerardinis. The curator of *Under Pressure* recognizes that nudity in art may not be considered appropriate by some venues. Therefore the inclusion of *Ardor*, *Equinox*, *Muse*, *Nirvana*, and *Truth* by A.D. Cook in this exhibition is strictly optional at the discretion of the venue.

Additional work by artists such as lowrider artist, Fonzy, Disney artist, Noah, and Javier Soto may be added or substituted for works listed above.
